FENIX

YACHT

Designs and builds
yachts 9.20 meters
in the FNX ranges.
The company was
founded in 2020
and is based in Urla,
IZMIR (TURKEY).

FENU

YACHT

The different phases of studying, planning, and production are developed internally thanks to our unique of professionals in the yachting industry.

Our goal is to make your FENU ownership, the right choice for your needs and your lifestyle.

FENIX

YACHT

Our yachts had to be of the highest quality in order to compete in a saturated market place so only the best componentry could be used.

FENU

YACHT

All our details have versatility and uncompromised functionality beauty. Every detail is thoroughly designed: perfect finishes, ergonomic unique spaces, top-notch materials, comfortable cabins, ease of maneuverability, and plenty of innovative creations.

And, thereby to grasp its true vocation and ultimate goal. We now know that it is never too late to do this.
